Cover Letter

Dear Hiring Manager,

I am writing to express my keen interest in the Front-End Developer role at GTEcom BV. With a strong background in Shopify front-end development, I specialize in crafting responsive, high-performance web applications that enhance user experience and drive conversions.

My expertise in HTML, CSS, JavaScript, and Shopify's Liquid programming has allowed me to successfully develop and customize Shopify themes, improve promotional layouts, and optimize store performance. During my time with Relaxify, I worked on multiple Shopify projects, collaborating with teams to bring designs to life and enhance the user interface.

I am excited about the opportunity to contribute to GTEcom BV's mission of scaling operations and enhancing Shopify store performance. I look forward to the possibility of discussing how my skills align with your needs. Thank you for your time and consideration.

Best regards,

Syed Mahmood Bukhari
